Miss Me Creative Worksheet

A 2024 hellaohdecreative Accountability Worksheet
Inspired by Amare Symone's latest single, "Miss Me"

"Won't pick up my fingers to answer your rings." — Miss Me

What boundaries will you implement to protect your creative process throughout 2024?

"In the end of all this sh*t, I'll be choosing me." — Miss Me

In 2024, how can you better preserve your inner power to boost your creativity?

"You gon' miss me when I'm gone." — Miss Me

What are some ways that you'd like to immortalize yourself to future generations through your 2024 creative works? What themes do you want to create about?

"And I'm not even in my prime." — Miss Me

Over the next year, what does your ideal day of creativity look like?

"Who gon' check me?" — Miss Me

Since art cannot be created without community, who will you collaborate, connect, and create with to hold yourself accountable throughout 2024?
